

**L.A. Shelter Selected as a Saltscapes Community Spirit Partner.**

Community Spirit Partners are nonprofit groups in Atlantic Canada selected by **Saltscapes** to be profiled in their magazine. **Saltscapes** - Canada's East Coast magazine - recognizes that we are all neighbours contributing to our community spirit and to the place we call home. The magazine has many fascinating articles and photographs featuring the people and lifestyles of Atlantic Canada. As well as being featured in the magazine, Community Spirit Partners also receive a portion of the subscription cost for any new subscriptions secured.
